Please excuse me if this correspondence (at first) seems inappropriate. I am aware you do not display email address on your current, public webpages. Today, while planning to correspond, with this same purpose, via the Electronic Tip Form, I discovered your email address per accident. Urgently, I have need

address per accident. Urgently, I have need situationally to communicate directly. (My information below should explain.) This means is the best solution. Therefore, please give it conscientious attention under the following circumstances:

I reasonably suspect mail tampering of a letter of information mailed to your field office. PLEASE BE ADVISED: The mailing sent 03052020... may VERY POSSIBLY BE TAMPERED and, precariously, MISREPRESENTATIVE of my INTENT maliciously in conspiracy to commit false prosecution retaliatory (as further RICO VIOLATIONS) and FOUL PLAY.

I most certainly know I am being targeted by an organized crime conspiracy with a proven motive. (Please see attachment for relevant information.)

For quite some time, I have been attempting to report some of its joindered crimes by its network of colluders. Unfortunately, per my experiences, it also continually involves mail fraud, tampering and theft. It also involves extreme abuses of electronic surveillance with intent to obstruct justice and my fundamental rights to address.

On 03052020, I reattempted with an additional complaint of reasonably suspected mail fraud involving letter to your field office. I have also mailed a complaint to the Inspector

have also mailed a complaint to the Inspector General of USPS by UPS at a UPS Store.

I reasonably suspect fraudulent mail tampering of a letter of information mailed to your field office. (Please see attachment for information.) The clerk charged me \$20.38 at the same UPS Store location. He claimed the exorbitant price for requested "Signature Required" service. The receipt did not account for any itemization of the charges. It was vague. It only recorded "ground commercial" service. Also, the clerk took my envelope, just after I prepared it, without adequate sealing (I thought it would be common-sense to complete while applying postage.)

Since, at same location, I received a report of confirmation of the previous delivery to the postmaster in VA, I non-paranoidally decided to trust him. Furthermore, I am under extreme overburden by a multitude of procedural and other harassments and commotions -- too many to meticule over every accumulative detail.

After leaving, I researched further about UPS terms. I realized reasonable suspicions concerning this transaction. I am too overburdened by time-constraint to explain them; I am confident that my attached information will corroborate to justify my reasonably cautious and relevant suspicion.

Wherefore, please receive the attached digital copy of my actual mailing. Furthermore, I just requested redirection of the delivery back to the sending business to retrieve it without the possible harm of falsified tampering or interception by pernicious enemies to my lawful actions. Management communicated promise to effect my request on the next business day of Monday, since today is Saturday and shipping offices are closed. He claimed incapacity to document transaction of this request until contacting to process it. I did, however, audio record the conversation being party myself. Please, also, maintain attention to its possible delivery expected to be by Friday (03142020) with memory of my preemptive information. In the event that the delivery arrives by UPS inconsistent with the attachment hereto, it was criminally tampered during delivery.

Thank you,

I submit this report online.

On 06/12/2012, I reported portions of the attached information via the FBI's online tip form. I selected "Other" for region. Limitations of content precluded report as thoroughly intended. Therefore, I am, hereby, corresponding to report full intent in letter by mail.

P.S. I am, hereby, attempting to send information again due to the following:
On 06/12/2012, I attempted making of information at a post office where located inside, and attached to a quarry close at. During, this Autumn Blvd, Cincinnati, OH 45215. I paid for mail of mail. Staff presumably attempted to interfere with this post as mail theft and tampering.
The female customer was a employee indicated between threats to provide very paid service to myself personally during transaction. (I have experienced stating, having conversations by an employee "plant" talking with management for this nation, personal attention. He had indicated my preparation of the mailing in the mailing area.) During her conversation, distracting, she called full address to the Cleveland FBI Field Office. She set some money over by mail. This intent, a mail company reported to prison prison. Just prior, immediately upon my arrival to the service line, with a long line, and thirty first minutes before that, she was called to an observational and inappropriate. I had to wait for a short time in waiting in a private office (which seemed with time delay and wait).
Since receiving suspicious of a conspiracy to commit mail fraud and theft, I also reported via the FBI's Internet Complaint system shortly thereafter. I do, however, intend to correspond directly to the Cleveland Field Office. Furthermore, I left a message relay my said suspicions by phone at (216) 552-1000 for attention to this situation. I requested to send my mailings.

I am, hereby, reporting crimes: Criminal Record Tampering, destroying evidence, Conspiracy to Commit Unconstitutional Infractions, various forms of Racketeering (RICO Violations) and all types of Fraud. I am certain that same acts are retaliatory malicious toward this innocent, potential witness.

I do not have time (overburdened) to prepare original documents, documentary citations should be self-explanatory.

Thank you for your response. I appreciate the query report of case numbers associated with same name as mine. It was helpful toward my objective.

Since "Personal papers and effects have been illegally seized and stolen (by conspirators colluding in misconduct)," I need to identify specific case pertinent for recovery of my personal records. Could you please inform, by reply, of which cases (if either 2001JCV116343, 2001JCR120041, 2003CR00063 or 2003JG011286) also mention one Marie Brosky or Marie Beaver as party? Thank you.

Re: Horton

This department only applies to the CR and JCV cases. CR cases are public record and your case (2003CR00063) does not refer to Marie Brosky or Marie Beaver. As to the JCV case (2001JCV116343), it is not public record so I cannot give you any information. If you are in town, please come in with your picture ID and we will give you any info you want. If you are out of town, please make a copy of your driver's license and have it notarized and send it to us with your request.

As to the other cases:

I am certain, living my life, that there was a CR case pending 1988 through 2004 approximately. Marie Brosky was party. During, her name changed to Beaver. It involved custody of one Ta Horton. The others are her juvenile delinquency cases while in custody of the former, and an African-American foster family who has assisted me for non-entitled child support. What is the number of this custody case requested? Also, please provide, by reply, summary information of 2007000022.

If the case described with my request does not exist, there consciously has been criminal record tampering and destruction. I do have proof of organized crime motive. It has been a recurring problem in my matters from these organized criminals colluding with infiltrated.

What is this number. What is 2007000022, a separate case about? I expect obligatory answer!

Hello,

I have been redirected with my inquiries. For clarity, do you work for the Stark County Court of Common Pleas? A search of its website was without results. If so, what job description do you have?

In my situation, communications need to be by email. I am extremely time-consuming by various malicious, procedural harassment and obstructions. It is not possible to attempt phone calls. Email is available for efficient, convenient correspondence in matters.

Yes, I work for Stark County Clerk of Courts, family court division (Concluded)

A case, 14-6501, initiated by Mississippi Police Department alleging violation of P.C. 1-41(1). Facts are that a Corporal called Pettifore to Mississippi Police Station relating against his intent to acquire a license to carry a gun concerning price misstatement. License was dismissed upon review by Attorney (of Pettifore, P.C. 54) and for lack of sufficient evidence on 9/12/2016. As a result, Pettifore came to civil action.

NUMEROUS TIMES, IN VARIOUS WAYS, WITH PRETEXT MOTIVES TO DEPRESS HIS MIND. PETITIONER HAS REMAINED POOR THROUGHOUT. DEFENDANT'S RIGHT TO FAIR TRIAL PREJUDICED BY PROTRACTED RESTRAINT OF HIS LIBERTY TO AN ARRA.

Present case properly at issue (15-6725) initiated with a Malicious Arrest on 01/02/2015 in Woodland, CA made solely on information-unsubstantiated. Barry, accused's, Report, and 7 a false, malicious report. Arrest was made away from scene of incident. Original complaint alleged existence of two (2) other (2) children, Accused's Child, and PC 7.415(c). Fight/Challenge Fight. Arrangement was scheduled on 03/14/2015 at Respondent Superior Court. Due to arrangement aforementioned, Prosecution reached said case for lack of sufficient evidence 7 (On date Petitioner arrived, court was not open for inquiring at clerk of court and the D.A. Office, he learned of rejection by a hand-delivered letter. Letter was addressed to Respondent without mailing address, on several occasions.) On 12/07/2015, however, at trial readiness for first case, 15-3628, Judge Maguire opened hearing informing of a new act of prosecution offense, violation of PC 7.415(c) with 147.8 dropped for lack of sufficient evidence. The Court immediately expedited this new case initiated to trial as primary emphasis in bracket. Maguire not conversant for other (prior) cases per "trialing" procedure. Conspicuously, timing of action was tactical based (Abuse of) legal Process with intent to Overturn Petitioner's Right to Fair Trial.

On 02/17/2018, Petitioner filed Common Law Motion to Dismiss Because of Denial of Right to Speedy Trial, Due Process and Fair Trial in case: 18-0178 arguing: "Six-half delay of one and one-half months, without showing of good cause, from arrest to arraignment, constituted 'prosecution of public officials' denying fundamental rights. (Please refer to Appendix ____.) Also, on 02/19/2018 he filed Notice of Motion to Dismiss Because of Denial of Right to Speedy Trial responsive to Prosecution's untimely disclosure of discovery and in open court, during jury trial date on 02/15/2018, Tharish, he addressed: "Prosecution of public officials has caused [another] two months of 'six-half delay' pursuant to PC sec 1382 (30-day rule)" since case needed continuance until 04/11/2018. Court presently denied both motions on 03/13/2018. (Please refer to Appendix ____.)

On 04/20/2016, Petitioner filed Petition for Writ of Habeas and Request for Stay of Proceedings? After Denial of Common Law Motion to Denies Because of Denial of Right to Speedy Trial, Due Process and Fair Trial and Failure of Motion to Denies Because of Denial of Right to Speedy Trial Regarding Charge of Violation of CAPC 415(1) regarding points. JUDGE PREJUDICALLY YERRED BY MALICIOUS IGNORANCE OF PETITIONER'S FULLY MEMORICALLY ARGUMENT and DEFENDANT IS PREJUDICED BY RESTRAINT OF LIBERTY TO AN AREA. As result, at trial readiness conference scheduled 04/21/2016, trial was vacated until 06/15/2016 for time in law of decision pending upon request for stay. (Prosecutor Fred Van Der Haar filed his opposition 05/02/2016) please refer to Appendix _____. Decision upon is still pending uniformly delayed by Appellate Division of Respondent Court. In full faith effort, Petitioner visited clerk multiple times seeking said decision. Court continually informed Petitioner that said Petition has been sent for scrutiny to such as called an "Attorney Unit" since 06/08/2016 being serve date prosecution filed its opposition. Each provided convenience date note service suspension about six weeks out-of-court conflict with other

Actually, proceedings since 06/22/2016 constituted "Minimal" 741 continued trial readiness on 06/16/2016. Pettibone, again, requested continuance (with showing of cause and merit) in lieu of moderate, untimely delay (by Appellate Department) of decision upon his Petition for Writ of Habeas and Request for Stay Thereof. In response, Judge Maguire: 1) vacated continuance and 06/17/2016, 2) then, ordered parties to "file papers" (and by vacated date of 06/17/2016) informing Appellate Department concerning delays as above. Thereby, only less than two days were given for motion practice, per order, with disregard for statutory procedure all issue (reasonable deadlines). On 06/17/2016, prior to hearing, Pettibone (being procedurally overburdened unfairly) filed an ADDENDUM TO RESPONDENT'S REPLY BRIEF addressing, on order, issues of such delays. (Please refer to Appendix _____)

At continued hearing on 06/17/2016, Judge Maguire informed of denial of stay and set jury selection to begin 06/22/2016. Court presently denied his motions for mistrial. Petitioner (at least) twice orally moved for mistrial upon above facts; he motioned on same date, in open court (06/17/2016), and then during excludatory procedure, likewise (06/22/2016). Judge responded, in part, that he only accepts motions in writing (and during and argument proceedings).

¹⁰ Post further gross abuses of discretion occurring between 08/15/2016 and 01/7/2018, the wrongfully provided on 08/22/2018. Several Due Process violations occurred during that. Just these examples are as follows:

* During voir dire selection on 06/22/2018, Supervisor of Woodlands Police Department's Detective Lind was selected in jury box. Lind presence of Officer

During fact-finding, prosecution based its case solely upon non-corroborated, unproven accusation of one accused. Evidence presented by prosecution included

9. Fabricated facts testified by informant as first witness (being incompetent, irrelevant to charge, inconsistent and contradictory) and thus challenged by the defense on the basis of its approach on the record, and during cross-examination (Black's Law Dictionary 4th Revised Ed. within 1991).

2. Electronic audio recording of dispatch call 7 the initial accusation 7 reported by said first witness (which included audible background of Peñonero, from a distance, making about the same report while departing).

3. Second and last witness, Officer Galtieri of the Highland Police Department testified that he did not witness incident at scene of complaint while further investigation was conducted. Officer Galtieri further testified that Patterson had departed scene of incident without fighting.

* The two men used several varieties of "gully" and Pellicani was wrongfully convicted of violation of PC 88.05.

Furthermore, trial, to this date, is still incomplete. Court is delaying sentencing, hence judgement, egregiously inordinate. Jury decision and verdict on 06/24/2018 has been lost but decision thus far Judge, on same date, continued sentencing phase until 06/29/2018. Therefore, under such "Extraordinary Circumstances"? especially with respect to delayed sentencing and judgment in last half), Petitioner, on 06/29/2018, filed Motion to Vacate Judgment arguing following headings: CASE IS STILL PENDING UPON INORDINATELY DELAYED DECISION ON PETITIONER'S PETITION FOR WRIT OF HABEAS CORPUS, AND THE FAIR TRIAL PROVISION.

On 06/29/2016, at continued sentencing hearing, Maguire (conspicuously) retaliated maliciously against my most recent motion and with malice and intent to preemptively obstruct Post-Trial and succeeding causes for civil actions. On the record, the hearing was completely one-sided? Obstructionist? Post-trial appeared prepared to create in support and in defense on issues relevant to sentencing by statute. He attempted to rise and then asserted to make them. Maguire flatly denied Due Process precluding right to speak. Continually he interrupted attempts to assert right to hearing on matter. Furthermore, he threatened arrested Father/son overbearing/insulting he not "interupt" Maguire also forbade right to state objections during an Unconstitutional ex-parte "presentation" by the District Attorney's Office.

County is to accept settlement offer for a nonstatutory, Unconstitutional alternate to sentencing. Judge agreed with prosecution. A Court action is unjustly Doreen Pettibone to accept settlement offer for a nonstatutory, Unconstitutional alternate to sentencing. Judge agreed with prosecution. A Christopher Bailey, Deputy District Attorney appeared present ? not prosecutor on record in the case and during bad faith. The Hon. Judge Bailey gave improper prepared presentation endorsing (or receding) a newly conceived program? ? the "Conversionary Homeless Program." Accordingly, Pettibone would be directed to concede to Admission of Guilt, progress through stages of a thought-control program, accept Prosecutorial to stand trial's status and controlled, free housing to (refuse the request of Doreen Pettibone) and not even native to this state or county).

Since I received said offer stating it to be unconstitutional on the record, Maguire persisted to maliciously Retaliate with Gross Abuse of Discretion. Substantive retaliation intent to maliciously cause thought about Competence to stand Trial Maguire Breach(es) (even Blackmailing with Threats to Surrender Phase 2 on extension) throughout said term (after successful conviction while refusing to hear Plaintiff on issues at hand for which he naïve preys) as illustrated to offer it as alternate to

violations fundamentally blocking Full Trial Due Process, the violatively reached Right to Self-Represent during sentencing and appointed Public Defender for sentencing in error. Court was then vacated by the PT ON THIS CASE ONLY FOR SENTENCING. (Please see Appendix ____.) Judge verbally confirmed, per Petitioner's inquiry in open court, Petitioner otherwise remains Pro-Se in all cases. As reasoning, Maguire rationalized malicious prejudice against Petitioner's aggressive defense as behavioral including mental incompetence. He argued overruly, Petitioner's rejection of said counsel was believed by himself to be irrational. Further more, Respondent refused to permit alignment to Unconstitutional Acts of "forcing a lawyer" upon a defendant while fully aware of incoherence. Substantial Conflict with case counsel, Court continued sentencing with 57130018. Petitioner filed Family motion on 07/12/2016. (Please see Appendix ____.)

Cases to case 15-4725 concurrently with case 14-1218 has been set for 02/15/2017. Meanwhile, continued "hearing" date for case 13-3028 concurrently with 13-3285 has been set, separated from others, for 02/15/2017. Scheduling occurred as result of 2 separate false arrests upon 4 false bench warrants by Woodland Police Department on 11/15/16 and 1/7/17.

Petitioner fully aware warrants constituted gross abuse of discretion and malicious Abuse of Legal Process on following grounds:

Although absent in Respondent court on 08/24/2016, Petitioner was circumstantially unable to appear. He was occupied with procedure of serving Petition by Extraordinary Writ and while indigent, without adequate transportation and distant. 2. Petitioner requested stay of proceedings within Petition aforesaid. 3. Hearing date on 08/24/2016 was set for multiplicity of matters in all cases simultaneously being continued since 07/27/2016. Colluding public officials exploited anomalous "hearing" procedure to harass Petitioner with multiplicity of warrants and arrests upon single hearing. Petitioner was, during this time, constantly active practicing sentencing and motion practice. Frivolous restraints disrupted his abilities to prepare and practice.

DEFENDANT'S RIGHT TO FULL TRIAL PREJUDICED BY PROTRACTED RESTRAINT OF HIS LIBERTY TO AN AREA

A total accumulation of four criminal matters have overwhelmingly initiated by the Yolo County District Attorney's Office. Meanwhile, procreation, public officials in these matters to overbearing upon the Defendant a type of Prosecutorial Harassment that is bordering on Arrest by unjustly depriving Defendant of liberty and also, life in that his opportunities for employment are disrupted, associations (such as Church affiliations) are severed and impaired into ruinous (with various deep seated debasement) by protracted punitive, procedural wage in a foreign region. Concurrently, impoverished without domicile, Defendant must expend time-consuming effort toward the sustaining activities while balancing deliberative, exhaustive labor of Criminal Defense (once again without income) having, by necessity, to self-represent in such circumstances it depleting his resources, imposing impediments to conducive working conditions, rendering his ability to prepare for trial as a Full Trial issue, inducing anxiety and inflicting distress reasonable to expect by reasonable person's standard.

Furthermore, Defendant is forced by necessity to self-represent (in all four cases) due to severely substantial conflict with counsel being in an unfair conflict with agency of the state. The pivotal case in the federal question concerning definition of standards for determining competence to self-represent, *Indiana v. Edwards*, 554 U.S. 171 (2008), and *Marion, MD, Pro Se Competence in the Aftermath of Indiana v. Edwards*, 38 J. Am. Acad. Psychiatry 661-667 (2008). Obviously, such determinants would constitute an unfair conflict between a Defendant and Agents of the State necessitating self-representation for any adequate defense (especially if defendant is indigent). Defendant, and rationally by his experience, claims, evidence shows such a condition exists in this case pending (as well as others pending simultaneously) giving rise to a severely substantial conflict because of gross ineffective counsel by public defenders.

Amongst positive reasons for such choice, vindicated by these researchers, include, little trust in the fairness of the legal system when it is reasonable to believe that fiduciary interests of public defenders are compromised since they are employees of the state (Douglas M. Maris, MD, and Richard L. Fennell, MD, Pro Se Competence in the Aftermath of *Indiana v. Edwards*, 38 J. Am. Acad. Psychiatry 661-667 (2008)). Obviously, such determinants would constitute an unfair conflict between a Defendant and Agents of the State necessitating self-representation for any adequate defense (especially if defendant is indigent). Defendant, and rationally by his experience, claims, evidence shows such a condition exists in this case pending (as well as others pending simultaneously) giving rise to a severely substantial conflict because of gross ineffective counsel by public defenders.

According to *Serna*, Right to speedy trial protects criminal defendant against oppressive pretrial incarceration, anxiety, concern and disruption of his everyday life. (*Serna v. Superior Court* (1985) 40 Cal. 236). Furthermore, the Court reasoned, quoting from *U.S. v. Marion*, "inordinate delay between arrest, indictment and trial may impair a defendant's ability to present an effective defense. But the major evils protected against by the speedy trial guarantee exist quite apart from actual or possible prejudice to an accused's defense. To legally arrest and detain, the Government must assert probable cause to believe the arrestee has committed a crime. Arrest is a public act that may seriously interfere with a Defendant's liberty, whether he is free on bail or not, and that may deplete his employment, drain his financial resources, curtail his associations, subject him to reputation harm, and create anxiety in him, his family and friends." (*U.S. v. Marion* (1977) 434 U.S. 307 as quoted in *Serna v. Superior Court* (1985) 40 Cal. 236). Proceeding on these actions would not serve justice, but only prejudice the Petitioner in that the delays are causing undue disruption to his life without justifiable cause. At time of arrest, he did not have outstanding warrants, nor a criminal record. Indigent, Petitioner is not resident in the area. He intends to move on and tend to important life matters, yet his liberty to move is restricted by violation of Speedy Trial Rights and without income in proceedings pending for total of over three and one-half years in Respondent Court. Finally, in lieu of above, Petitioner has already punitive suffered in excess of maximum sentences for all cases together in total by said restraints.

POINT IN SUPPORT OF JOINING CLAIMS FOR EXTRAORDINARY RELIEF

Petitioner's Full Trial and Due Process Rights have been prejudiced prima facie in each case by anomalous procedures ordered throughout all pending cases together. All procedural actions named herein (cases 13-3028, 13-3865, 14-1218 and 15-4725) are connected together in same scheme effecting accumulation of Overburden unfairly constituting Abuse of Legal Process via Retaliatory and Malicious Prosecutorial and Procedural Harassment. They all have been initiated against Petitioner upon complaints by Real Party in Interest alleging charges. As Gross Abuses of Discretion by Respondent Court, they prove Conspiracy to Commit Infractions against Petitioner's Fundamental Rights amongst Agents of the State in Yolo County colluding.

Pursuant to CA CCP § 1100, petition for Extraordinary Writ initiates a form of civil action and rules of procedure prescribed in CCP § 307, 1082.20 apply. Pursuant to CCP § 427.42, a cross-complaint may join any causes of action he or she has against party making complaint against the same. The purpose of statutory provision for joinder is to permit joinder in one action of several causes arising out of related transactions and involving common issues. The statute should be liberally construed so as to permit joinder whenever possible in furtherance of this purpose. (*Almeida v. Anderson* (2012) 207 Cal. App. 4th 526).

The purposes of the Petition for Extraordinary Writ, Petitioner is same as cross-complaint by definition. He possesses three multiple civil causes of action for relief with merit against same party being Real Party in Interest named herein. Therefore, it is in the interest of justice that this court joinder said causes as causes together and issue its peremptory writ ordering Respondent to dismiss in all cases and terminate all prosecutorial actions aforesaid.

COURT PREJUDICALLY ERRING IN ORDERING WARRANT FOR ARREST CHARGING CONTEMPT OF COURT

As 1330 on 08/23/2016, paid gross denial of process during 1000 dollar, providing judge (Daniel Maguire) overzealously ordered warrant to arrest charging indefinitely acts of malfeasance by Petitioner upon Prosecutors request ex parte. Judge prejudicially acted in granting order with motive to retaliate by acts of malfeasance in a Conspiracy to Commit Constitutional violations.

On Wednesday 07/12/2016 at 10:00, as Defendant self-representing, Petitioner arrived to appear for hearing upon motions at the Superior Court, Yolo County Department 19. As overhauling, arbitrary procedure, hearing was upon 2 separate matters in 2 separate cases. By noon, Petitioner was steadily denied

ling of his petition. (Please refer to DECLARATION IN SUPPORT PURSUANT TO CA RULES OF COURT 8.486(b)(2) IN LIEU OF NON-POSSESSION OF FILES STAMPED HARD COPIES TO APPENDIX attached as pg. 22 of Appendix A.) Respondent Court immediately Summarily Denied improperly without allowing for the above. Transcripts and case-file records are necessary pursuant to CA Rules of Court 8.486.

I furthermore, Petitioner is experiencing denial of mail delivery by post offices in Yuba County consistent with much evidencing collusion amongst public officials to conceal retaliatory misconduct and out of court. Although not able to substantiate evidentiary here now, Petitioner pleads the court to justly factor assessment, its possibility, regarding a conspiracy to conceal various harmful violations causing Petitioner, indigent, to be destitute of a reliable, physical mailing address. (Recently prior to respondent judge McGuire's acquisition of position at the bench, he served as non-judge in executive cabinet of Governor Schwarzenegger at the state of the state of California and possesses connectives to misappropriate toward such an asserted design.) Therefore, he demands delivery by attachment and transmission, and void of any further procedural requirement (statutory or otherwise) upon Petitioner (as they would obstructive to his presumptive rights at issue) served in his email address herein provided which he is able to access even under Extraordinary Circumstances imposed as averred. He desperately needs copies for his records for defense. Wherefore, even if procedural in the interest of justice procedurally, Petitioner hereby moves this court for an order compelling respondent to deliver transcripts and case-file records. [Concluded]

CANTONITES WHO HAVE CONFLICTED WITH ME

Atty. Frank Farstone: Unhappy with my valid complaints with Marie as prosecutor. (Currently judge of Common Pleas)

Atty. Christine Johnson: Convicted of fraud after acting as G.A.S.

Law Director Joseph Marfaccio: Externship at Law Dept. He said "If you tell what goes on here, your dead - just kidding" during my interview. I assumed I was kidding.

Atty. George Urban: My law teacher at Brown Mackie. He told to me to put my Bible away in class. He got in my face and yelled about Adam and Eve's trees, was insane.

Vice Squad: When I reported about Marie.

Cx-management of American Rescue Workers (the Walkers and Larry Martin): After my stay in late 2004, they were needed for corruption. I spoke of my experiences.

Atty. Murillo: He represented Marie.

Marie Brink: Assaults at the house and evidence from FI.

Various people I have met at the Y.M.C.A. since I moved in 1999. I did not run in the same flock of desperation with drugs and prostitutes and so on. Marie became hostile for this. I did not condone their ways although I treated them with dignity as human beings. They resented it. (Where do they get the drugs from?)

CANTON CHILDREN SERVICES: Per Marie's report, they claimed that I "gave them so much attitude that they had to get the manager". I see the incident differently. I feel I was treated with incredulity and discrimination as a non-custodial father. I was only persistent about my concerns. The predominantly female staff were consistently abitudinal and derogatory. I felt disrespected as a concerned parent.

CANTONITES WHO KNOW ME

Judge Michael Howard: I was active as my own attorney during my Domestic cases. I attracted a lot of attention with my innocent activities at Family Court.

During my externship at the Law Dept.

Atty. Jason Reese: I did work for him dealing with landlords. He acknowledges me on the street.

Atty. Kathleen O. Taborsky: I drafted memorandum for her and organized her files.

Judge John Phyllis: I observed court room procedure under him during my externship. He acknowledges me on the street.
